➤ Miami Showroom

Miami Design District
4141 NE 2nd Avenue Unit 105
D/F Miami, FL 33137

Artemide opens its new showroom in Miami on the occasion of Design Miami. It is the only showroom in the Design District entirely dedicated to the world of light, it will be not only a place to discover all the Artemide collections but a competence center a point of reference for end customer and professionals.

With a strong and growing presence in the American market, Artemide continues to expand its vision of light, creating spaces that inspire and connect. Carrying on the heritage of founder Ernesto Gismondi, Artemide combines creativity and measure, knowledge and know-how in a synthesis filtered by the values of environmental and social sustainability.

Artemide lighting solutions combine innovation and tradition, offering flexible solutions for every space. Design icons, they combine functionality, emotion and beauty, embodying innovation and Made in Italy through timeless products.
