

# Milano Design Week 2024

Artemide takes center stage at **Milano Design Week 2024** with products and services that are the result of continuous research, experimentation, and sustainable innovation. For this important occasion, we are delighted to invite you to discover the new 2024 collection inside our Monforte Showroom. Artemide's light will also play a starring role in some of the most interesting projects of **Fuorisalone** where it will transform environments into dynamics scenarios, shaping the atmosphere by creating unique suggestions.

## ARTEMIDE DIALOGUE

Monforte Flagship Store  
Corso Monforte 19, Milan  
15\_21.04.2024 10 AM - 8 PM

In the historical showroom of Corso Monforte are presented the new products born from the collaboration with the most important international architects with whom Artemide collaborates sharing important values such as sustainability, central to Artemide's perspective toward the future.

## SOLFERINO 28

Via Solferino 26, Milan  
15\_21.04.2024 11 AM - 11 PM

Artemide illuminates the installation "**CITTA' MINIERA: Design, Dismantle, Disseminate**" signed by **Mario Cucinella Architects** for this edition of "SOLFERINO 28," the design event of **Corriere della Sera, Living and Abitare**.

The installation is a manifesto of sustainability where "we imagine urban space as an ecosystem, which by deconstructing itself is transformed from its own material, as happens in nature." Artemide's light is expressed both in the essentiality of solutions that integrate with architecture and with more present solutions that dialogue with nature.
